

Exciting Job Opportunity

Role

We are looking for enthusiastic students to become part of the future of Glatfelter. Our Advanced Apprenticeship Scheme is a four-year structured programme that will equip you with the skills and experience to become a Maintenance Technician. One year will be spent training in a college environment, followed by three years work-based.

Details

- Applicants should possess or have predicted grades of 5 GCSEs at grade C or above to include Maths, English and a Science/technical-based subject.
- An enthusiastic and genuine interest to apply engineering skills in a production environment is essential, as is a willingness to learn environment is essential, as is a willingness to learn and apply that learning in the workplace.
- The closing date is 31st May 2017 after which an assessment day will be held.
- If you would like to know more, please email Lydney-hr@glatfelter.com.
